The Myth, The Man, The Legend

Woody's Travels

Well October was a busy month for Woody. He hated to miss the October Happy Hour with Dennis McCaughey, but he was on the road with his phavorite Parrot Heads, Fred n' Sara, as the Karavan to Keys was taking off to Cayo Hueso for Meeting of the Minds(MOTM). Since he was on the road he also missed the Buffett Concert and parties in Las Vegas with Dave and Sally. Woody loved being on the Karavan as he had a perfect, comfortable spot in the Tahoe to see all the sites on the 1500 mile trip. He, and Fred n' Sara, hooked up with Dave and Sally again on 26 Oct in Key Largo. It was a phun weekend, before he was on the road again to Key West(KW) after stopping at the Pit Stop in Key Largo and at Boondocks at Mile Marker 27 with the Coconut Castaways Pit Stop party.

Arriving in KW the next couple of days were a bit hectic as he moved a couple of times before getting situated in Truman Annex for the week. Early on Weds morning he held a prime spot next to the stage in the registration room at the Casa Marina next to the Calypso Nuts as 150 Parrot Heads got together for MOTM Goodie Bag stuffing. The day continued at Schooner Wharf where the PHIP South Region hosted a Welcome to the Keys Party from noon to 7 PM. 14 Trop Rock artist performed and kept the place rocking. He had the pleasure of moving over to the Troprockin'.com Award event at Dante's. He even got to go on stage as Cooler Dave won The Peoples Choice, "Most Spirited Fan" Award! The next three days were busy as Woody spent a lot of time on the Casa Beach with plenty of "photo ops" while having a prime spot next to Cooler Dave's big beach chair.

He got to attend the PHIP Leaders Brunch on Friday morning at the Conch and had a center, front row, table at the Pirate and Poets event at First Flight. Woody can't remember how many Congo lines he lead during the week, but there were quite a few! He was told that there were over 150 Trop Rock artist, musicians, and bands on The Island.

As all good things must come to the end, he left The Island on 4 Nov with Fred n' Sara to head back to Texas. All in all this was of his best trips-the 10th one to Cayo Hueso- and looks forward to MOTM next year! Woody hopes to see you at the SAPHC Happy Hour/General Membership Mtg on 21 Nov with Billy Snipes!!

SAPHC Out and About

Windy Cindy's Blog (Of Parrot Head Tails)

I went to Meeting of the Minds. Need I say more? Yes, I must. By accident I went on the quest for the best fish dip on the island. The search evolved after a "misunderstanding" on whether the best fish dip was at Schooner's Wharf or The Conch Republic. Wednesday afternoon found me at the South Region Welcome Party & I ordered "fish dip." The table I was sitting at was very critical, saying "why are you ordering fish dip here? The best fish dip is at The Conch Republic?" My response was "I was told it was at the restaurant where Jim Morris played which is Schooner's Wharf-No Plane on Sunday." Apparently Jim Morris played at The Conch Republic too. Who knew? I apparently didn't. But to everyone's surprise, Schooner's Wharf has excellent fish dip. In fact, it came in second place to, not The Conch Republic but "Drum Roll Please...."

The winner of the best fish dip in Key West is The White Tarpon. I also had fish dip at Two Friends, The Casa, Hog's Breath & Smokin' Tuna. By day 3 of tasting fish dip I was growing gills & thinking, maybe this wasn't such a good idea after all. So let me know your favorite place to get fish dip. Maybe we could all try making fish dip & have a "best fish dip contest."

Until next month,
Windy Cindy Shoffstall
