President's Letter to the Phlock

Howdy Ya'll! August started off with a bang for the Parker Phamily as we welcomed my new grandson Easton Patrick Parker born 8/2/24 at 2:14PM weighing in at 7lbs. Chad and Veronica are doing fine!!

July was a very wet month!! We kicked it off with a house concert on July 6th with Joel Block and Stoney Gabel! It rained most of the night but that did not stop us from enjoying another great house concert at Isla Bella and Partying with a Purpose. Connie Turner raffled off a "2025 Dad Bod calendar" raising money for TRMA! Unfortunately, we had to cancel the fireworks show!!

I was able to attend the Canyon Lake PHC River Jam on July 13th at Rio Guadalupe Resort. Started out fantastic and then the rain came but that didn't stop the party! Thanks to all that made it out and especially to all the musicians that played thru the rain!!

July HH was at The Mine Shaft w/music by DJ Doc Scott! We had a small turnout but Scott still entertained us with some fantastic music! Thanks to those that came and supported the club!

The "Girls from San Antonio" were able! to end the month with a Mac McNally concert at Stable Hall in San Antonio on July 25th and the last weekend in Port A at Brooke Graham's Beach Bash!! Mac was fantastic and kept the audience entertained with so many great Jimmy Buffett memories and stories! The next day we headed to Port A!! We were a little concerned about the Beach Bash being rained out but the weather actually cooperated!! If you haven't been to Brooke Graham's Beach Bash, you need to add it to your bucket list for next year! Always a great time with our Parrot Head Phamily in Port A!

It is SAPHC election time again and we are looking to fill a few positions on our Board. Please help us with filling the following positions: Vice President, Secretary and Director of Sponsor Support. Please follow the instructions in the email if you or someone you know would like to run!!

Please keep in mind that my niece has a beautiful condo/townhome in Port Aransas that I am assisting her with this year. Here is the link to check it out, but don't book it there as we can offer you better rates. <https://abnb.me/ldK4Gk78Cvb> If the dates are available when you check out the link, please text me at 210-219-3768 and I will get you a quote.

Please keep your membership current and tell your phriends about us! We love our new members! If you have any ideas to help us boost membership, please let us know! Please do not hesitate to contact me with any new ideas and check out our calendar as there are a lot of great events in 2024/2025!!

Phins up! Bubbles Up!

WINDY CINDY'S AUGUST 2024 BLOG

Bon bini! Bon dia! This is welcome and Hello in Papiamento which is the native language of Aruba. Most islanders also speak Dutch, Spanish, and English and some islanders even speak Jamaican. 12 Parrot Heads from San Antonio went to Aruba in July for Jerry Diaz's "On a Beach in Mexico" except we went to a beach on the Dutch island of Aruba, popula-

tion 140,000. Beautiful beaches and water is an understatement!

I was incredibly surprised about Aruba. I was expecting tropical, but it is really a desert because they get truly little rain. They are out of the hurricane zone. They have these fabulous cacti all over the island.

We visited an aloe vera farm and factory. The conditions are perfect for growing aloe vera – sandy soil, sun and no rain. We all stocked up on aloe vera products. I have fallen in love with paradise dream soap. I shower with it every day.

We also visited a rock formation garden that had massive rocks. We went to a light house and the Natural Bridge that had raging waters. On our side of the island the ocean was calmer. Of course, we enjoyed swimming in the beautiful Caribbean waters and sipping the local island drink specialties. My favorite was Coco Loco, a frozen

coconut drink. I also enjoyed Aruba Ariba which is a refreshing drink on ice. It reminded me of an Aperol Spritz. I also drank my fair share of wine. Hey, we were at an all-inclusive!

WINDY CINDY'S AUGUST 2024 BLOG/CONTD..

The water was so blue and so clear. You could see all the way down to your toes! All along the beach were these gorgeous shell-like coral and shells. No one takes them because that is illegal, so tourists leave them there for the next beach goer to enjoy.

One night, Rocky and I were sitting on our patio and we saw something flutter to the ground. We thought it was a bird, but it was a little owl about eight inches tall.

He was so cute! Owls are common on the island, but this was the only time we saw one. As we sat there Rocky even carved my initials in the palm tree by our patio. Do not worry. There were about twenty more carved initials, so it was OK, I think!

We celebrated Gary Arnold's 70th birthday every chance we got. They always put a firework in his desert which I am sure is against all kinds of laws in the States.

And finally, we enjoyed the music of Jerry Diaz on two different nights. He never disappoints! Sandy toes and sun-kissed-nose! I left my heart in the sand!

Until next time-Bubbles Up!
