President's Letter to the Phlock

Well Mother Nature can't make up her mind on the weather so far, but it looks like it will be getting better, so we'll be back at Bracken Store and Ice House for our 20 April Happy Hour. A special treat at this Happy Hour. Surtierra Tequila, the official San Antonio Rodeo tequila will have taste testing for our members t We will also have a musician, Bill Caisse, to provide music. He often plays with Robert Demel's band! Also, The Battered Women's Shelter is our Charity this month and a separate email listing their needs has been sent out.

This Happy Hour will be our Fiesta Happy Hour so break out your best Fiesta attire!! Also, we will have a Fiesta hat contest so wear your best decorated hat!

Our 20 April Happy Hour will be the last day to sign up for SURVIVE and get a SURVIVE 2023 Tshirt. The registrations are coming in slowly but we should still have a good crowd in Port A! Don't forget we have Billy Snipes playing on Friday night and The Jonas Lorence Band Saturday night. Also we have Beach Games back again this year along with a Poker Run on Saturday. Separates emails are out on how to register, so go ahead and "pull the trigger" and register!!

We had a pretty light crowd for our Adopt-a-Highway on 1 April. We only had 11 pholks, but we did manage to pick up 17 Bags and misc items. I highly encourage you to think about volunteering for our various events. It is a great way to get to know your phellow Parrot Heads while we Party With a Purpose! "What better way is there to connect with your community and give a little back? As a volunteer, you certainly return to society some of the benefits that society gives you."

Hope everyone has a Phun and safe FIESTA!!

Windy Cindy's April, 2023 Blog

This is always a crazy month for me. March has me working extra hard and crunching numbers as fast as I can. However, I did get away one weekend to go visit my daughter in Dallas. We spent Saturday of the weekend in Fort Worth at the stockyards. We had a northerner with us and she kept saying she wanted to see the bulls run down the street. I said "No you don't." My daughter told her we were not in Spain. It is fun to see the "steers" come down the street. We had a great day! There are so many bars and live music. They still have The White Elephant that I last visited 40 years ago. It is like stepping back in time. They have the famous Billy Bob's and many new bars. If you haven't made a visit to this historic place, it is worth the drive.

It's a big world out there. Go explore!

Phins Up! Windy Cindy

Kathy's Recipes

Parrothead Salad

Head leaf lettuce, rinsed, dried and torn into bite-size pieces

1/2 lb fresh strawberries, sliced

1/2 lb fresh blueberries

1 mango, peeled and seeded, and cut into strips

1 cup cherry tomatoes, halved

1/2 cup raisins

1/4 cup toasted slivered almonds

1/4 cup chopped red onion

4 slices bacon

Toss the lettuce, strawberries, blueberries, mango, tomatoes, raisins, almonds, and onions together in a salad bowl. Cover, and refrigerate at least 30 minutes to allow the flavors to mingle. Place the bacon in a large, deep skillet, and cook over medium-high heat, turning occasionally, until crisp and evenly browned, about 10 minutes. Drain the bacon slices on a paper towel-lined plate. Crumble and sprinkle over the salad to serve with your favorite dressing.

Marisela & Luis' Drink of the Month

The Mangonada

Here's a neat recipe as we begin prepping for Fiesta and the summer in San Antonio – The Mangonada! Cheers!!

Ingredients:

- 1 cup frozen mango cubes
- 2 oz orange juice
- 5 oz agave nectar
- 1 oz Tajin chamoy sauce
- .5oz Tajin Clasico Seasoning

Instructions:

Combine mango, orange juice, and nectar into blender
Blend until smooth

Rim & Prepare Your Glass

Add 1 oz of Tajin chamoy sauce to a small plate
Add .5 oz Tajin Clasico seasoning to another plate
Dip the rim of the glass into Tajin chamoy sauce and then into Tajin Clasico seasoning, coating all sides (like you would do with a margarita with lime juice/salt). Drizzle the remaining 1 oz of Tajin chamoy sauce along the inside of the glass. Add a “chamoy straw” – to get the perfect Fiesta look!
Enjoy & Repeat!
